

NOW AT FARMERS' MARKETS!

SHOP LOCAL • EAT FRESH • BRING YOUR FAMILY

Encourage WIC families to redeem their Farmers Market Nutrition Program (FMNP) seasonal checks at farmers markets.

- Many WIC families want to shop at farmers markets to find quality seasonal produce, support local farmers, and enjoy a family-friendly community event. The FMNP can help them do that!
- More farmers markets in your area are now authorized to accept the WIC FMNP seasonal checks June through October.
- WIC families can buy more fresh vegetables and fruit at markets with the FMNP checks.

To find out which markets and stands in your area accept FMNP checks, visit List of Current WIC-approved Markets and Stands: <http://www.in.gov/isdh/files/wic-market-list.pdf>
