End of Market Day

☐ **Did your market follow POS (Point of Sale) machine's procedure to print a batch report at the end of the day for your records?**

☐ **With TotilPay Go mobile application (iOS or Android) all sales data is stored in the account and accessible online. Download data when convenient.**

☐ **Did your market collect, count, and record tokens received from all farmers and vendors?**

☐ **Did your market fill out the Daily Redemption Log form for all tokens turned in ?**

☐ **Did your market record all farmer/vendor daily sales in Daily Summary Log?**
